

Pioneering Drain Line Purity

*Florida Institute
of Technology*

Job Name: Florida Institute of Technology
Panther Dining Hall, Melbourne Florida

Date Installed: November, 2010

Product/Capacity: 6-GB-250 Grease Interceptors (7,500 gallon concrete equivalent)

Installing Contractor: Atlantic Plumbing, Melbourne Florida

Local Jurisdiction: Brevard County

Details: Panther Dining Hall is the main residential dining room; located in the center of campus, just south of the Clemente Center. Panther Dining is an *all you care to eat* style cafeteria that features a variety display cooking stations including an international bar, pizza buffet, pasta to order, home-style entrees with carvery, grill, deli and panini bar, salad, dessert and beverage bars.

Schier's Lifetime Warranty assures that This facility will never need to replace their grease interceptors. This, along with the savings realized during regular pump-outs will save tens of thousands of dollars over the life of the system.
